

CITY OF EVANSTON
DENIAL OF REQUEST FOR PUBLIC RECORDS UNDER FOIA

To: Austin Spillar

On June 16, 2020, the City of Evanston received your written request for the inspection, copying, or certification of certain City public records ("Your Request") pursuant to the Freedom of Information FOIA ("FOIA").

1. Denial of Request

— Your Request is hereby denied in its entirety. The reason(s) for denial are stated in Paragraph 3 or reason stated below:

X Your Request has been denied in part. The records for which Your Request is denied and granted are detailed below:

(a) Your Request is denied as to the following records (the "Specified Records"):

All personal information has been redacted

(b) Your Request is granted in part as the following records (the "Approved Records"):

Copy of Use of Force reports, Analysis report, and dispositions for the requested timeframe.

Notice of the Right to Review

You have the right to file a request for review of Your Request and this Notice of Denial by the Public Access Counselor of the Office of the Illinois Attorney General. The Public Access Counselor may be contested at 500 South 2nd Street, Springfield, Illinois 62706, or by telephone at (217) 558-0486. In addition, you have the right to seek judicial review of this denial.

2. Justification of Denial

Your Request is being denied with respect to the Specified Records because the Specified Records are exempt from disclosure pursuant to FOIA for the following reason or reasons (references are to sections of FOIA):

(a) **Personal Privacy**

X The Specified Records are private information. § 2(c-5), § 7(1)(c)

(b) Internal Operations

— The Specified Records relate to pending negotiations for the purchase or sale of real estate. § 7(1)(r)

(c) Law enforcement and security

— The Specified Records were created in the course of administrative enforcement proceedings, or for law enforcement purposes, and disclosure would:

— interfere with a pending or actually and reasonably contemplated law enforcement proceeding by the City. § 7(1)(d)(i)

— interfere with active administrative enforcement proceedings by the City. § 7(1)(d)(ii)

— unavoidably disclose the identity of a confidential source or confidential information provided by the confidential source, or the identity of persons who file complaints with or provide information to administrative, investigative, law enforcements or penal agencies. § 7(1)(d)(iv)

— disclose unique or specialized investigative techniques other than those generally used and known, and disclosure would result in demonstrable harm to the City. § 7(1)(d)(v)

— endanger the life or physical safety of any person. § 7(1)(d)(vi)

— obstruct or interfere with an active or ongoing criminal investigation by the City. § 7(1)(d)(iv), § 7(1)(d)(vii)

(e) Attorney Communications

— The Specified Records were prepared or compiled at the request of an attorney advising the City in anticipation of criminal, civil, or administrative proceedings. § 7(1)(m)

— The Specified Records were prepared or compiled with respect to an internal audit of the City. § 7(1)(m)

(g) Personnel

— The Specified Records are test questions, scoring keys, or other examination data used to determine employment or license qualifications. § 7(1)(q)

— The Specified Records relate to adjudication of an employee grievance or disciplinary case, and do not constitute the final outcome of a case in which discipline was imposed. § 7(1)(n)

— The Specified Records relate to employee collective bargaining matters and do not constitute a final collective bargaining agreement. § 7(1)(p)

— Disclosure of the Specified Records is prohibited by the Personnel Records Review FOIA. § 7.5(q)

(h) Not Public Records

— The Specified Records are neither prepared by or for the City, nor have the Specified Records been or are being used by, or received by, the City. § 1, § 2(c)

— The Specified Records are not within the City's possession or control, nor are the Specified Records related to a governmental function. § 1, § 2(c), § 7(2)

(i) Miscellaneous:

— Your Request, couched in categorical terms, is unduly burdensome because the burden on the City of complying with Your Request outweighs the public interest in providing the Specified Records, and efforts to reduce Your Request to manageable proportions have been unsuccessful after the City's extension of the opportunity to meet and confer on the documents requested. § 1 & 3(g)

— Your Request is unduly burdensome because you have repeatedly requested the Specified Records, which records are unchanged or identical to records previously provided or properly denied pursuant to the FOIA § 3(g)

— Disclosure of the Specified Records is specifically prohibited by the following Federal or State law, rule: _____ § 7(1(a))

(j) Body Camera Footage:

— Disclosure of the Specified Records is prohibited by the Illinois Freedom of Information Act. 5 ILCS 140/7.5(cc)

— Disclosure of the Specified Records is further prohibited by the Illinois Law Enforcement Officer-Worn Body Camera Act. 50 ILCS 706/10-20(b).

3. You have a right to appeal this decision within 60 days to Sarah Pratt, Acting Public Access Counselor, Office of the Illinois Attorney General, 500 S. 2nd Street, Springfield, Illinois 62706, (phone number 1-877-299-FOIA) or to seek judicial review under Section 11 of FOIA, 5 ILCS 140/11.

Evanston Public Record Requests

Request #20-537

Overdue

As of July 2, 2020, 2:37pm

Request Visibility: Embargoed -- Will be auto-published 24 hours after closure

Details

To Whom It May Concern:

Pursuant to the Illinois Freedom of Information Act., I hereby request the following records:

Pursuant to the { law name }, I hereby request the following records:

- copies of all completed Use of Force Reports created by Evanston PD between January 1, 2019 and June 14, 2020;
- copies of all Use of Force Analysis Reports submitted to the Chief of police between January 1, 2019 and June 14, 2020; and
- copies of all paperwork documenting restraints, control techniques, and TASER usage between January 1, 2019 and June 14, 2020.

For reference see the following sections of the EPD Policy Manual:

Section 300.5 on use of force documenting requirements: <https://www.documentcloud.org/documents/4636755-Evanston-Police-Department-Policy-Manual.html#document/p52>

Section 300.9 on use of force analysis reports: <https://www.documentcloud.org/documents/4636755-Evanston-Police-Department-Policy-Manual.html#document/p55>

Section 302.8 on restraint documentation: <https://www.documentcloud.org/documents/4636755-Evanston-Police-Department-Policy-Manual.html#document/p63>

Section 303.9 on documenting control techniques: <https://www.documentcloud.org/documents/4636755-Evanston-Police-Department-Policy-Manual.html#document/p66>

The requested documents will be made available to the general public, and this request is not being made for commercial purposes.

In the event that there are fees, I would be grateful if you would inform me of the total charges in advance of fulfilling my request. I would prefer the request filled electronically, by e-mail attachment if available or CD-ROM if not.

Thank you in advance for your anticipated cooperation in this matter. I look forward to receiving your response to this request within 5 business days, as the statute requires.

Sincerely,

Austin Spillar

Please be advised that an additional 5 business days from the original due date is needed and the additional time is needed for the following reason(s):

☐ records are stored at other locations than the office having charge of the requested records;

☐ request requires the collection of a substantial number of specified records;

☐ request has categorical terms and requires an extensive search;

☒ requested records have not been located and additional efforts are being made to locate them;

☐ requested records require examination by personnel having the necessary competence to determine if they are exempt from disclosure or should be revealed only with appropriate redactions;

☐ records cannot be compiled with the public body within the time limits prescribed by paragraph (c) of this Section without unduly burdening or interfering with the operations of the public body; and/or

☐ There is a need for consultation, with another public body or among two or more components of the City having a substantial interest in the documents produced.

Memorandum

To: Chief Demitrous Cook

From: Sergeant J. Hart #3 (Office of Professional Standards)

Subject: Use of Force Analysis Report

Date: June 22, 2020

The Office of Professional Standards routinely investigates the use of Force incidents. Police officers are permitted to use force at a level they deem reasonable and necessary to protect others and themselves from bodily harm or to affect the arrest of a person who physically resists. However, physical force is to be used as a last resort, and only after other reasonable alternatives have been exhausted or clearly would be ineffective. Judgment in these matters is not arbitrary but is governed by state law, departmental policy and procedure, national law enforcement standards, and police training.

Whenever physical force beyond mere restraint is used, each officer involved must file a report for review. The department investigates all Use of Force reports.

In 2019, the department generated 84,843 CAD events, and there was 35 Use of Force incidents reported during those events. That is an average of 0.041 percent of the events resulting in the Use of Force. The department made 1,251 arrests in 2019 with an average of 2.79 percent of them, resulting in force used.

Trends:

- Domestic battery, assault, and battery were the most frequent calls where force was used (8)
- There were 45 different type of force used in the 35 use of force incidents
- The most commonly used type of force was in the weaponless impact category (14)
- The second commonly used type of force was Conducted Electrical Weapon deployment (12)

Recommendations:

- Continue training officers in Crisis Intervention Training and De-escalation techniques

Respectfully Submitted

J. Hart #3

APPENDIX C

USE OF FORCE REPORT

Case No. 19000423

Part 3 – Detailed Narrative

On 01/17/2019 at approximately 0038 hours I, OFC Niedziela *118 responded to 319 Dempster as a back up unit to assist with a battery in progress. Evanston communications advised they received a call from, [REDACTED] who stated there was a subject identified as, Branden Eubanks who was battering a female identified as, [REDACTED] on the 2nd floor of the complex. Upon arrival at the location I observed OFC Rowell struggling to take Eubanks into custody on the first floor hallway. I ran toward OFC Rowell in order to assist him in attempting to place Eubanks into custody. I took hold of Eubanks left arm and OFC Rowell had hold of his right arm. I gave Eubanks several loud, clear, verbal commands to place his arm behind his back. Eubanks refused to follow my commands and actively resisted being placed under arrest by flexing the muscle in his left arm and pulling it toward his body stopping me from being able to put it behind his back. I advised Eubanks if he continued to resist I would have to use force to gain compliance. Eubanks continued to resist as I gave him clear, loud, verbal commands to place his hand behind his back. Subsequently, I delivered three closed, empty hand strikes with my right hand to Eubanks face. I then ordered Eubanks again to place his hands behind his back with negative results. I delivered two additional closed, empty hand strikes with my right hand to Eubanks face. I then felt Eubanks release some of the muscle tension in his arm at which point OFC Rowell was able to place a handcuff on Eubanks right arm that he had been holding and then secured the other side of the handcuff to Eubanks left arm that I had hold of.

APPENDIX C

USE OF FORCE REPORT

Case No. 19000423

Part 3 – Detailed Narrative

On 01/17/2019 at approximately 0034 hours, I Officer Rowell *188 was dispatched to 319 Dempster for a battery in progress. Upon arrival, [REDACTED], a resident at the above address, pointed down the first floor hallway and yelled "they are fighting!" [REDACTED] gave me access to the building through the front entrance. I quickly ran down the hallway and observed a heavy set naked black female, now known as [REDACTED] defending herself from being battered by a black male, now known as Branden Eubanks. As I approached the rear door, I observed Eubanks close the door and prevent Officer Jones *215 from entering the building. I wrapped my arms around Eubanks' torso and attempted to pull him away from the door which was unsuccessful. I gave Eubanks clear, loud, verbal commands to let go of the door and at this time continued to pull the door towards him preventing the rear door from opening. At this time, I successfully performed a takedown which caused Eubanks to let go of the door and fall to the floor. Eubanks landed on his back and continued to resist verbal commands to roll over onto his stomach and put his hands behind his back. Officer Niedziela *118 arrived on scene and assisted me with taking Eubanks into custody.

APPENDIX C

USE OF FORCE REPORT

Case No. 19-966

Part 3 – Detailed Narrative

In summary: While conducting a directed foot patrol at the Howard St CTA station I was followed by a subject later identified as Jacob B. Johnson to the Customer Assistance booth. I entered the booth with both doors closed at which time Johnson approached the doors and leaned on the doors preventing myself or the customer assistant from exiting the booth. Johnson was repeatedly asked to back away from the booth which he refused. Johnson at one point told me to exit the booth and make him move. I requested assistance which arrived with Johnson still leaning against the booth doors. Officers Carrigan and Nawotka arrived and asked him to move away from the door which he refused. Carrigan and Nawotka physically pulled Johnson away from the doors at which time I exited the booth to assist. Johnson was physically pulling away from officers and refusing to place his hands behind his back as requested. Johnson was pulling his arms forward against officers at which time he was given a warning that he would be Tazed if he continued to resist. I used the spark test as an additional warning and Johnson continued to resist officers. I announced Taser at which time the Taser was deployed into the back of Johnson. Johnson immediately fell to the ground at which time he was again told to put his arms behind his back for cuffing. Johnson complied and was taken into custody.

Part 3 – Detailed Narrative

In summary, but not verbatim, at the listed time I, Officer Gregory, *137, was on patrol in the area of the 600 block of Mulford, traveling W/B. Upon approaching Custer, I observed a F/W, later identified as [REDACTED] screaming and trying to free her two leashed dogs from an unleashed dog that was attacking them. Upon seeing this, my partner, Officer de Leon *165 and I immediately exited our unmarked police squad, #97, to assist [REDACTED]. Upon exiting, we observed a black dog actively biting and attacking [REDACTED] two dogs. At that time, I deployed my Taser to neutralize that attacking black dog. I fired a Taser cartridge at the attacking dog, striking the dog in the back with the prongs. The Taser arced for a single cycle, at which time the attacking dog released [REDACTED] dog. The attacking dog then withdrew and ran north and west away from the area.

Upon checking with [REDACTED] I observed that my second Taser cartridge was deployed, and one prong was embedded in the back of [REDACTED] dog. The dog did not appear to be suffering any ill effects.

APPENDIX C

USE OF FORCE REPORT

Case No. 19-2858

Part 3 – Detailed Narrative

On 04/11/19 at 1807 hours, Officer Nawotka #243, Officer Mokos #184 and I Officer Reza #144, responded to 640 Hinman #3J for a domestic disturbance. After speaking with both parties, it was determined Cable was to be placed under arrest for domestic battery. Cable was then told he was being placed under arrest for domestic battery. Cable asked multiple times why he was being arrested and did not get up from the couch. Cable then directed his attention towards his wife and then got up from the couch and tried to push past us while stating "I'm coming over there!" Fearing Cable was going to try and get to his wife and cause her more bodily harm, we grabbed Cable to stop him. Mark was then pushed down onto the sofa and given multiple loud, verbal commands to place his hands behind his back. Cable actively resisted our attempts to place his hands behind his back by placing his left arm underneath his body and tensing up his right arm and refusing to place it behind his back. Since Cable refused to comply with our commands, I then drew my taser. Cable was given additional commands to place his hands behind his back and he continued to actively resist. I advised Cable multiple times that he would be tased and he continued to disobey our commands. I then drive stunned Cable for approximately 2-3 seconds on his upper back. Cable immediately complied and placed his hands behind his back and was handcuffed.

I reviewed my Body Camera footage prior to authoring this report. Nothing Further.

USE OF FORCE REPORT

Case No. 19-2858

Part 3 – Detailed Narrative

On 04/11/19 at 1807 hours, Officer Nawotka #243, Officer Mokos #184 and I Officer Reza #144, responded to 640 Hinman #3J for a domestic disturbance. After speaking with both parties, it was determined Cable was to be placed under arrest for domestic battery. Cable was then told he was being placed under arrest for domestic battery. Cable asked multiple times why he was being arrested and did not get up from the couch. Cable then directed his attention towards his wife and then got up from the couch and tried to push past us while stating "I'm coming over there!" Fearing Cable was going to try and get to his wife and cause her more bodily harm, we grabbed Cable to stop him. Mark was then pushed down onto the sofa and given multiple loud, verbal commands to place his hands behind his back. Cable actively resisted our attempts to place his hands behind his back by placing his left arm underneath his body and tensing up his right arm and refusing to place it behind his back. Since Cable refused to comply with our commands, I then drew my taser. Cable was given additional commands to place his hands behind his back and he continued to actively resist. I advised Cable multiple times that he would be tased and he continued to disobey our commands. I then drive stunned Cable for approximately 2-3 seconds on his upper back. Cable immediately complied and placed his hands behind his back and was handcuffed.

I reviewed my Body Camera footage prior to authoring this report. Nothing Further.

USE OF FORCE REPORT

Case No.

19-002558

Part 3 – Detailed Narrative

On 04/02/2019 at approximately 0304 hours, I conducted a traffic stop in the area of 2033 W. Fargo in Chicago, Illinois. During the traffic stop a subject (now known as Ruben J. Roman) fled from the vehicle. After a foot chase I heard my partner, Officer Harvey #133, shouting "stop" at which point I observed Roman hop a fence in to the south alley of the 2000 block of Birchwood. Due to Roman attempting to further flee, him reaching towards his waistband in a manner consistent with a subject attempting to conceal a weapon and the area being known for gang activity involving weapons and narcotics I conducted a takedown in order to take Roman in to custody. The takedown consisted of me wrapping my arms around Roman's upper body and taking him to the ground. I was then able to gain control of Roman's arms to secure him in handcuffs.

After Roman was transported to the EPD, he complained to assisting officers of injuries to his hands and knees.

USE OF FORCE REPORT

Case No.

19-2993

Part 3 – Detailed Narrative

In summary, but not verbatim, on 4-17-19 at approximately 2158 hours, my partner Officer Gustafson #120 and I, Officer Kane #209 conducted a traffic stop at 1015 Mulford. Driver, Nicholas N Thomas opened the driver door and began to walk away from the vehicle. My partner and I immediately exited our vehicle and gave loud and clear verbal commands to Thomas to stop. We quickly approached the subject and conducted a protective pat down due to his evasive manners. Evanston Police Dispatch then informed me that Nicholas Thomas has a suspended Illinois Driver's License. Thomas was then informed that he was under arrest for driving on a suspended license and was instructed to place his hands behind his back. Thomas began to actively resist arrest by pulling his body away from us, placing his hands towards his chest, clenching his fists, and refusing to place his hands behind his back. My partner and I then gave Thomas multiple verbal commands to stop resisting and conducted a take down to the ground. I then conducted an empty hand control tactic to place his arms in a position, where I could safely and securely handcuff Thomas. Thomas was then handcuffed without further incident.

USE OF FORCE REPORT

Case No. 19-003415

Part 3 -- Detailed Narrative

On 04/30/2019 at 1720hrs, I, Officer Virani #163, responded to a retail theft report at Whole Foods located at 1640 Chicago Ave. Officer Golubski #240 requested an assist unit due to a female offender, now identified as Julia E. Green (01/18/1995), who was being uncooperative. Once on scene, Green was advised that she was under arrest.

I took hold of Green's left hand and arm. I immediately felt Green tense her left arm and attempt to pull it back in front of her torso. I was unable to get Green's left arm behind her back to secure it with handcuffs. Due to Green resisting, I pushed Green onto her back while she was still situated in front of the chair. The chair tipped over backwards and the back of Green's head struck a table while being escorted to the ground. Once on the ground, Green was on her back. Green then kicked me with her foot (unknown leg). Green's foot struck the front of my lower left leg.

Officer Golubski and I were able to get Green onto her stomach and a handcuff secured on her left wrist. Green's right arm was under Green's torso. Green refused to remove her right arm and hand from underneath her torso. I was able to pull Green's right arm from under her torso. Green was still holding her cell phone. It was difficult to secure the right handcuff to Green's right wrist with the cell phone in her hand. I used joint manipulation (pain compliance) to Green's left thumb, which caused her to release hold of her cell phone. Green's left hand was then secured. I reviewed my body worn camera prior to authoring this report.

USE OF FORCE REPORT

Case No. 19-4266

Part 3 – Detailed Narrative

On 05/27/2019 at approximately 0100 hours Officer Masucci #136 and I, Officer Servatius #253 were in Evanston Police lock up processing a male subject (Botello, Trini) who was taken into custody for a criminal trespass investigation. Both on scene during Botello's initial arrest and at the Evanston Police Department Botello was uncooperative and refused to listen to officer's verbal commands. While in lock up Botello advised that he was having chest pain at which point Evanston Fire Department responded for medical treatment. It was later determined that Botello would be transported to Evanston Hospital for medical treatment. I placed my hand cuff on to Botello's right hand (double locked and checked for fit) and attempted to handcuff him to the gurney. After unsuccessfully finding a place to handcuff Botello to the gurney I advised him to sit forward in the bed so I could handcuff him behind his back for transport. Botello continued to be uncooperative and refused to sit forward. With the assistance of Officer Masucci and Evanston Fire personnel I was able to sit Botello up and place the handcuff on to his left hand (double lock and check for fit). While attempting to place the handcuff on to Botello's left hand he began to resist by pulling and twisting his right arm. Once both hands were handcuffed Botello reported that the handcuffs were too tight at which point I check the tension for a second time. Even though I was able to place a finger loosely inside of the handcuff I loosened the right handcuff to give him extra space. Botello was then transported to Evanston Hospital at which point he began to complain of redness on his right wrist due to the handcuffs.

USE OF FORCE REPORT

Case No. 19-2831

Part 3 – Detailed Narrative

On 04/11/19 at approximately 0713 hours Officer Noble #159 and I, Officer Witt #147 responded to 1618 Sherman for a report of a vagrant inside the location. Upon arrival I spoke with a male (later identified as Roderick Walker) who stated that he was at the location attempting to warm up from the cold. I asked Walker for his name and he provided Rodger Baker 10/15/93 to me. I had recognized Walker from previous contacts and asked him to remove his hood from his head. When walker was asked again for his name he gave Roderick. Walker appeared nervous and kept asking if he could leave. I told Walker that we had to run his name before he was free to leave. I called the Evanston Communications Bureau by phone to run Walker because the radio reception was very poor in our location. At that time another Officer Marx #145 told Officer Noble over the radio that Walker had a warrant. Walker then attempted to flee through the stairwell. I grabbed Walker by the coat and arm and attempted to stop him. Walker pulled away from me and then turned and attempted to push me away from him. I then struggled with Walker attempting to get his hands so that I could apply handcuffs. Walker then fell backwards onto the stair case leading to the third floor. I then pushed Walker against the stairs in attempts to gain control of his arms. Walker then stated to us that he was not resisting while pushing me away from him. Walker also stated "Get the fuck off of me". Walker then stopped pushing and appeared as if he was going to comply due to Officer Noble telling him she was going to deploy her Taser if he did not comply with our directions. Walker then struck me in my chest with both hands in a pushing motion causing my body worn camera to turn off. Walker then pulled away again and attempted to run down the stairs to the main floor. Officer Noble deployed her Taser striking Walker in the right shoulder and right pectoral muscle. Walker then fell to the ground and I was able to place handcuffs on Walker's wrists. Walker became cooperative after he was placed into handcuffs. Walker was walked down to the ground level and was seen by Evanston Ambulance 21. Walker stated that he was uninjured and refused medical attention. See field general, ET report, and Supplemental report for further details. I reviewed my body worn camera prior to authoring this report.

Part 3 -- Detailed Narrative

On 4/28/2019 at approximately 1911 hours, my partner, Officer Gustafson *120, and I, Officer Kane *209, made contact with a Keith D. Wint (4/17/1976), during an investigative traffic stop at 2059 W. Howard in Chicago. LEADS confirmed a valid and extraditable warrant for Wint. Upon attempting to take Wint into custody, he quickly backed away from Officer Gustafson and I, and while doing so, raised both of his hands in the air, which he was holding an aluminum can of beans at the time in his right hand, in an aggressive manner, placing me in reasonable fear of being struck by Wint. I, Officer Kane, performed a closed fist strike using my right hand subsequently connecting with Wint's right forehead area causing a laceration to his right eyebrow. I immediately called for medical assistance and Evanston Fire Department personnel arrived on scene and Wint was transported to St. Francis Hospital where he was treated. Nothing further at this time.

Part 3 – Detailed Narrative

On 6/1/19 at approximately 0043 hours I, Ofc. D. Pack #234 and my partner Ofc. J. Roden #124 were dispatched to 1620 Orrington for a call of a person shot. We arrived on scene with our emergency lights activated and used our squad car's air horn to assist in dispersing a very large crowd which was gathered on the west side of the street. As we began our search for any potential gunshot victims, we encountered approximately 300 people gathered on the street, with numerous fights actively in progress. I observed Deontae Dunnigan actively engaged in a physical fight with another unknown subject. Dunnigan had his arms raised and his fists clenched, and was actively striking the unknown subject. There was also a large group of approximately 10 other people in extremely close proximity who also appeared to be engaged in the physical altercation. In order to prevent further injury to the unknown individual and others, I deployed my Taser directly to Dunnigan's torso, targeting the large muscle group in his abdomen. During the cycle of the Taser, Dunnigan was guided to the ground using soft control techniques and placed in handcuffs (double locked and tension checked). Due to the size of the crowd engaged in the fight, the need for immediate intervention to prevent injuries to other individuals and potential escalation of the fight, I was unable to give adequate verbal commands to Dunnigan prior to deploying my Taser. It should be noted at the conclusion of the incident I discovered both of my Taser cartridges had been deployed while I was engaged with Dunnigan. NFI.

USE OF FORCE REPORT

Case No. 19-004453

Part 3 – Detailed Narrative

On 06/01/2019 at approximately 0040 hours I responded to a large disturbance at 1620 Orrington including a person that may be shot. While clearing the area I approached a group including a Devon Obanner. Obanner was yelling at other people in the area and appeared to be attempting to start a fight. As I approached he was being held back near a wall by an unknown female.

I ordered the group to disperse at which time Obanner turned toward me and stared me in the face. Unidentified people grabbed a hold of Obanner as he clenched his fists while still staring at me. He then attempted to walk toward me while still having his fists clenched. Unidentified people were still attempting to hold him back. At one point, Obanner moved around one of the subjects holding him back and again attempted to engage me.

In response to the large group in my vicinity, and fearing that Obanner would break free of the group and batter me, I deployed my department issued chemical agent toward the face of Obanner. In doing so, multiple people were affected and fled the area with Obanner. One subject (Unknown male black) did not flee the area and turned in my direction. He then stepped toward me, causing me to believe that he was going to physically engage me. In response to his actions, I sprayed another short burst of chemical agent toward his facial area. After doing so, the subject fled the area northbound. Obanner was located by fellow officers a short time later and taken into custody. NFI.

USE OF FORCE REPORT

Case No. 19-004691

Part 3 – Detailed Narrative

The passenger (Jeremiah Wade) of a motor vehicle was attempting to walk away from a traffic stop in an area of a recent shooting, after I lawfully ordered him to stop. I believed the subject could be armed due to his actions, and after asking the subject if he had a weapon, he stated "yeah, I got a weapon on me." The subject refused multiple lawful commands to place his hands behind his back, stiffened his arms, appeared to reach towards his waist, attempted to pull away and disregarded my lawful orders. At that point, I grabbed Wade's arm and took him to the ground. Detective Kleinpaste and I then were able to place Wade into handcuffs after more verbal commands were given. The vehicle and occupants were subsequently secured, and I later learned Wade was seventeen years old.

Wade did not appear to be injured nor did he complain of any pain or injuries. Wade was verbally non-compliant with questions, and was eventually transported to the station by Officers Gustafson and Nawotka.

Part 3 – Detailed Narrative

On listed time and date, Oliver Gregory fled on foot due to him having knowledge he had an outstanding warrant. Gregory fled from the sidewalk westbound between the structures at 1490 Chicago and 607 Lake. Gregory continued to flee on foot and tripped over a high curb in front of Hilda's place (1458 Chicago), causing him to stumble. As I closed the distance after Gregory stumbled, I tackled him with us going to the pavement. I then placed my bodyweight on top of Gregory to limit his mobility until additional officers could arrive on scene to help me place him into custody. Gregory was placed into custody and transported to Evanston Northshore Hospital due to a reported leg injury.

Part 3 – Detailed Narrative

On 06/25/2019 at approximately 16:33 hours, I, Officer Antonio #224, was dispatched to Church St/ East Prairie Ave to assist Officer Neal #128 on a traffic stop.

Upon arrival at the scene, I observed Officer Neal #128 and Officer Appelt #241 standing by with Anthony White (05/04/1997). White was the owner and driver of a blue Chrysler 200 (IL BE30719). While on the scene, a strong odor of cannabis was detected coming out of White's car. While Officer Neal was conducting his investigation, I, along with Sergeant Miller #26, Sergeant Wernick #5 and Officer Appelt, stood by with White. During our standby with White, he threw his beverage at Sergeant Miller that he was holding in his right hand and immediately ran east on Church St. I, along with other assisting officers immediately ran after White. I gave several loud verbal commands to White to stop as he fled. White refused and continued running east through the parking lot of 3407 Church St. White eventually ran towards a fence at the southeast side of the establishment parking lot and was cornered. While at the fence, I observed White throw something later determined to be a clear bag of suspected cannabis over the fence. White then turned and was facing me. I was not sure if White had any weapons at this time. I immediately told White to get down on the ground. White was reluctant and did not immediately comply. I grabbed White's right hand, and along with the assistance of detective Rosenbaum #161 and Sgt Wernick, we took White to the ground. White was taken down with an empty hand takedown, in that I took hold of his right hand and guided him to the ground. It should be noted that my BWC was viewed before writing this report. I have nothing further at this time.

APPENDIX C

USE OF FORCE REPORT

Case No. 19-005505

Part 3 – Detailed Narrative

On 06/27/2019 at approximately 2318 hours, Officer Niedziela and I, Officer Masucci, responded to 1009 Florence to assist Officer Roden with a disturbance. The nature of the call was later determined to be domestic in nature.

Officer Roden met with the victim, Gary Streu, while Officer Sosa, Officer Niedziela, and I met with the suspected offender, Theodore Thomas. Officer Roden advised Streu wanted to sign complaints against Thomas, at which time Officer Sosa, Officer Niedziela, and I approached Thomas, directing him to place his hands behind his back and stop moving away from us. As we approached Thomas, who was passively resisting by not complying with clear direct orders from police officers and backing away. Officer Sosa approached Thomas by grabbing Thomas' right arm, Officer Niedziela grabbed onto Thomas' left hand, and moved Thomas onto the bed. While on the right side of Thomas, who was now lying on his stomach, with Officer Sosa positioned on his right shoulder, Officer Niedziela on his left arm, I grabbed Thomas' right wrist, placing it in a handcuff. I then placed Thomas' left wrist in the handcuff. The handcuffs were checked for proper fit, double locked and tension checked. Thomas was then escorted outside of the home. While on the walkway in the front yard of the residence, Thomas let his body go limp, falling to the ground. Thomas then shook on the ground, flopping his head in the dirt, kicking his legs, and was spitting. Thomas was still ignoring police commands at this time. An ambulance arrived, and Thomas was moved to a gurney. A spit mask was placed on Thomas, due to him spitting and face covered in saliva. Thomas was moving his body aggressively by rocking back and forth with his body weight, almost falling out of the gurney, ignoring directions from police and fire personnel. Thomas was then restrained to the gurney and moved into the ambulance. While in the ambulance, Thomas, still wearing his spit mask, spat aggressively (building a large amount of saliva in his mouth, positioning his body towards the paramedic and lunging forward as he spat) at a paramedic. No saliva made contact with the paramedic. While in the ambulance, Thomas advised his wrist hurt, while twisting and contorting his body, handcuffed and strapped to the gurney. I un-handcuffed Thomas' left wrist, keeping his right wrist handcuffed, then handcuffed Thomas to the gurney. I then checked the handcuff on Thomas' right wrist, showing him it was loose enough to slide up and down part of his wrist.

Once at Post 11, Thomas was seen by Doctor Iglesia. Thomas refused medical treatment and was discharged. After the hospital discharged Thomas, Thomas was told he would be transported back to Evanston Police Department. Thomas then refused to listen to officer commands and passively resisted by ignoring officer order and going limp. Thomas, fell from the hospital bed, refusing to comply with officers. Sergeant Sullivan arrived on scene to assist. Thomas was assisted out of the hospital via wheelchair. Prior to being placed in our marked squad car, Thomas again began complaining of his wrist. To accommodate Thomas, we used two sets of handcuffs to restrain Thomas and then placed him in the rear of our squad car. Thomas was then transported to Evanston Police Department without incident. Once in Evanston Lock Up, Thomas was turned over to Officer Roden and Desk Officer Kollar. This incident is captured on Body Camera. Nothing further at this time.

Part 3 – Detailed Narrative

On the above mentioned date time and location I Officer Sosa was an assist officer for a well-being check. While attempting to interview the subject of the of the well-being check, Gerald Brooks closed the distance to me and was in less than an arm's length away, clenched his hands into fists, bladed his stance and grimaced as he said "Man, I'm telling you, I have a good left and a good right".

Due to the delayed compliance to previous commands, apparent intoxication and observed aggressive behavior I felt I would be battered if I did not act immediately. I delivered an empty open hand push to the left side of Brooks' face. Causing him to fall to the floor. Pack and I gave several verbal commands for him to put his hands behind his back but he refused to comply. Officer pack and I used simple joint manipulation to handcuff Brooks. Brooks made unsolicited statements that he was not hurt.

See field general and supplement for further details.

Part 3 – Detailed Narrative

On 07/18/2019 at approximately 12:36 hours, while off duty I, Officer Antonio #224, was at 8500 W. Golf Rd in Niles Il. (Walmart) Shopping when I observed a disturbance inside the store. The disturbance was with a male later identified as Dominic Sapienza (10/11/1955) and several Walmart shoppers and employees. At a point during the disturbance, Sapienza made several threats to fight a shopper. During the argument with an unidentified male who attempted to intervene before I did, Sapienza said to the unknown male, "you want to take it outside and fight?" At this point, I intervened by announcing my office (EPD) and showing Sapienza my Evanston Police ID card. Sapienza continued to argue and wanted to fight with shoppers. Sapienza kept shouting and swearing at shoppers he was arguing with. In fear of him causing a battery toward shopper(s) and me, I advised Sapienza several times to walk away. Sapienza continued to argue and cause a disturbance. During this encounter with Sapienza, he continued to make threats to batter shoppers during the disturbance. At a point during the disturbance, Sapienza turned toward an employee who was stocking shelves in an aisle nearby and came in close proximity of the employee. Sapienza was still yelling at shoppers at this time. At this point in fear of Sapienza battering the employee in the aisle, I took hold of Sapienza's right wrist. While briefly holding his right wrist with my right hand, Sapienza turned himself around towards a shelf in the store. I did push or pull Sapienza in any direction. I then released Sapienza's wrist once he stopped yelling threats toward shoppers and employees. I only took control of Sapienza's wrist for approximately 3 seconds before releasing it. Several witnesses observed the incident. I have nothing further at this time.

Part 3 – Detailed Narrative

On 07/28/2019 at approximately 0242 hours, I, Officer Herrera *195 was dispatched to 1618 Benson to process the scene for a criminal damage to property report.

Upon arrival I spoke with Officer Pack *234 who stated that he was advised by complainant, [REDACTED] that the offenders were still on scene. [REDACTED] advised that the offenders forced the front door to the CTA station and were now on the third rail car to the south bound train. Officer Pack *234 and I walked up to the platform where [REDACTED] pointed out the two offenders. I made contact with Jeremy Watson (A.K.A Jeremiah Western) and took him into custody for criminal damage to property. The handcuffs were double locked and checked for fit. I walked Watson out of the rail car and onto the platform. Officer Hicks *251 arrived and searched Watson. I went back onto the train to retrieve their belongings. When I returned, I observed Watson attempting to use his cellphone while in handcuffs and Officers Pack *234 and Hicks *251 were trying to take the cellphone out of his hands. Watson tightened his grip on his cellphone and tensed his arms up. I put their belongings on the ground and attempted to take the cellphone out of Watson's hands. Officer Pack *234 was able to successfully take the phone out of Watson's hand. Officer Pack *234 and Hicks *251 walked Watson to Officer Pack's squad car. Watson did not complain of wrist pain/injury while on scene at the CTA and did not request medical attention. The incident was captured on my body worn camera and was reviewed prior to writing this report. Nothing Further at this time.

Part 3 – Detailed Narrative

In summary: On August 24, 2019 at approximately 1345 hours I Officer Serviss #206/1300 responded to the area of 1415 Darrow for a battery in progress. While enroute I heard Officer Ostap advise via radio that the offender (Luke Mahoon) was going to be combative and that he was walking away from the area on Lake St.

I arrived and observed Mahoon walking westbound on Lake St. with Ofc. Nelson giving him verbal commands to stop. I observed that Mahoon was slow to comply with orders being given by Ofc. Nelson. Detective Sosa and I approached Mahoon who at the time was on his knees but still verbally resistant. Detective Sosa handcuffed Mahoon's left wrist and I handcuffed his right wrist (2 sets of handcuffs) and the the handcuffs were joined. Mahoon was searched on the ground and then assisted to a sitting position and then a standing position by assisting officers.

Mahoon continued to be verbally combative and on numerous occasions attempted to pull away from officers and turn his body. Mahoon refused to be placed into a squad car and simple wrist locks were used in an effort to stop his aggressive movements. While waiting for Evanston Fire Department paramedics Mahoon continued to hold his body in a rigid state pushing back against officers in an attempt to flee. Mahoon was placed on the ground while being held up by officers until paramedics arrived on scene.

I reviewed my body camera footage prior to writing this report.

Part 3 – Detailed Narrative

On 08/25/2019 at approximately 13:45 Hours I Detective Sosa #103 responded to the area of 1415 Darrow for a battery in progress. Communications advised that the male subject was battering a female subject. Upon arrival I heard Officer Ostap over the radio advise responding units that the subject (Luke Mhoon) was going to be combative and he was leaving the area on foot northbound on Darrow towards Lake Street.

I observed Luke Mhoon walking away westbound from officers in the middle of Lake Street towards Dodge. Upon my approach Officer Nelson was ordering Mhoon to the ground. I observed delayed compliance from Mhoon. I handcuffed Mhoon's right wrist and Officer Serviss Handcuffed the left wrist. There were only simple handcuffing techniques used to apply the handcuffs.

Simple empty hand control methods were used to subdue Mhoon while he was being uncooperative with police and paramedics. I did not accompany officers and Mhoon to the hospital for the psychological evaluation. See additional supplements and field general for further details.

I reviewed my body camera footage prior to authoring this report

Case No. 19-007638

Part 3 – Detailed Narrative

While attempting to gain physical control of the combative, noncompliant subject, Luke O. Mhoon, I took hold of Mhoon's right wrist and applied a wrist lock to Mhoon's right wrist. Despite being handcuffed, Mhoon continued to actively resist by pulling away, jerking his upper body and tensing his arms. Mhoon ignored all verbal commands given to him by responding officers. Mhoon demanded that officers "let him go" and exclaimed that he wanted to "wrestle like boys" with officers on scene. Mhoon was transported to Evanston Hospital by the Evanston Fire Department for a psychological evaluation. Mhoon's mother-in-law, Beverly Richardson, informed officers that Mhoon suffers from a mental illness and has not been taking his medication, causing Mhoon to behave erratically and aggressive.

Once at Evanston Hospital, Mhoon had to be sedated by the hospital staff because he remained combative and noncompliant.

Part 3 – Detailed Narrative

On 08/16/19 at 1756 hours I, Ofc. Curran #237, was at the intersection of Howard and Ridge when I observed a physical fight occurring east of Ridge in the street. Upon exiting my squad car I disarmed two subjects that were holding a baseball bat and a hammer, no one was fighting at this time. I then observed two female subjects fighting with one another. I took hold of the closest subject, Amiyah Reddins, who kept attempting to fight with the other subject. At this time I performed a open hand take down on Reddins, forcing her to the ground. Reddins was then cuffed, double locked, placed into my squad car, seatbelted in, and transported to the Evanston Police Department for the battery investigation. No injuries were reported to me by Reddins at the time of the incident.

USE OF FORCE REPORT

Case No. 19-4247

Part 3 – Detailed Narrative

On 5/26/19 at approximately 0252 hrs. I, Officer B. Hicks #251, was assisting in the search for an offender of a burglary/criminal trespass investigation in the 1400 block of Chicago Av. The alleged burglary/criminal trespass occurred at the construction site at 1500 Sherman, and two suspects were observed fleeing east from the scene. After one suspect was placed in custody, I was searching for the second suspect in the courtyard of 1458 Chicago Av. I had my Taser out and in the ready position when I located the second suspect, later identified as Johnny O. Hodges, hiding under a bush inside a small fenced area near the west end of the courtyard. Upon locating Hodges, I gave my location over the radio so other officers could assist me with taking Hodges into custody. With my Taser pointed at Hodges, I gave several clear commands instructing Hodges not to move and place his hands on the gate, commands which Hodges did not comply with. Instead, Hodges opened the gate and exited the small fenced area. Just as Hodges exited the gate, Officer Cherrey arrived and instructed Hodges to get on the ground. Hodges appeared to comply with Cherrey's instructions and began to crouch down, but then jumped up and charged toward other officers who responding to my radio call for assistance. Fearful that Hodges might injure assisting officers by running into or fighting with them, I discharged my Taser toward Hodges' right side/back area, which appeared to have no effect on Hodges. Hodges continued to run past responding officers who gave chase and were eventually able to take Hodges into custody in the alley behind 1427 Chicago Av.

It should be noted that I reviewed my body worn camera footage prior to writing this report.

Part 3 – Detailed Narrative

On 5/26/19 at approximately 0252 hours, I, Sergeant Correa #17, was assisting in the search for an offender of criminal trespass/commercial burglary investigation to 1500 Sherman. I was located on the east side of 1458 Chicago when I heard Officer Hicks giving commands for a subject, Johnny O. Hodges, to get on the ground. I was approximately 15-20 feet from Officer Hicks and Hodges when Hodges appeared to comply and assumed a crouched position. It should be noted that Officer Cherrey and Sergeant Sullivan were in the immediate area as well as additional responding officers. I unholstered my taser and approached as Hodges appeared to comply with Officer Hick's orders. I observed Hodges jump from the crouched position and run toward responding officers. Fearful that Hodges may run over myself or another officer as we were beginning to surround him, I discharged my taser. I did not observe an effective incapacitation as Hodges fled on foot past officers, running toward them and then changing direction to evade capture. Hodges was later taken into custody in the alley behind 1427 Chicago. It should be noted that as I was walking toward the arresting officers, my cartridge wires became tangled in my duty belt. I removed the cartridge and wrapped the wires and noticed that they were absent both probes. I initially discarded the cartridge, but later recovered it. It should be noted that I reviewed my body worn camera footage prior to this report.

USE OF FORCE REPORT

Case No. 19-4247

Part 3 – Detailed Narrative

On 05/26/2019 at approximately 0252 hours, I, OFC Niedziela *118, was assisting in the search for an offender of a criminal trespass/commercial burglary investigation to a construction site located at 1500 Sherman. My partner, OFC Triggs, and I, were in our marked patrol vehicle driving in the area of 1500 Chicago attempting to locate the outstanding suspect when OFC Hicks notified units in the area via radio transmission he located the subject in the courtyard of Hildas Place at 1458 Chicago. As my partner and I pulled up to the location I exited our patrol vehicle and observed the suspect, Johnny O. Hodges fleeing east bound from the courtyard of 1458 Chicago. I gave chase behind Hodges as he fled east bound on Lake St. from Chicago Ave. with OFC Servatius ahead of me.

I deployed my taser (2) times at Hodges in the 500 block of Lake St. as he fled east bound. It did not appear that either of my taser deployments struck Hodges as he continued to flee in the east alley of 1400 Chicago. Hodges tripped over his own feet as he ran and was placed into custody at 1427 Chicago (in the alley) by OFC Servatius as I assisted him. I was able to locate both of my deployed taser wires in the alley where Hodges was arrested but I only located (1) of the two prongs. OFC Kozlowski collected by spent taser wires and cartridges. It should be noted I reviewed my body worn camera footage prior to this report but did not review my body worn camera footage prior to my supplemental report. Nothing further.

In Summary: On 9/10/19 at approximately 1345 Hours I responded to 2758 Lawndale Ave to assist patrol units with serving a short form notification for an order of protection. Upon arrival I was met at the door by the respondent [REDACTED] who advised her husband was inside and would more than likely be combative upon seeing us. I proceeded to enter the property along with Ofc. Lopez #155 and Ofc. San Roman #166. We were met in the hall by Mr. Delia who was holding two steak knives, one in each hand. I gave Mr. Delia several commands to drop the knives and he failed to comply. After warning Mr. Delia he would be tased if he did not drop the knives, I subsequently tased Mr. Delia. Mr. Delia fell to the ground and released both knives and was subsequently handcuffed by Ofc. Lopez. See field general and supplements for further information.

Part 3 – Detailed Narrative

In summary: On 10/5/19 at approximately 0520 hrs. I, Officer Hicks #251, was dispatched to a battery in progress in front of Le Peep Restaurant, 827 Church. Dispatched advised a M/W subject was striking a F/W subject with a belt. While I was in en-route, dispatch further advised that the male offender was now walking east in the alley. On arrival, I observed two subjects known to me from previous interactions as Melissa Mackey and [REDACTED] standing in front of 1709 Benson. Mackey was visibly intoxicated and bleeding heavily from several lacerations on her hands. As I exited my vehicle, both Mackey and [REDACTED] started yelling "He went that way", pointing east in the alley. I advised them the next officer would search for the alleged offender but I needed to speak with them first. As soon as I began speaking with Mackey and [REDACTED] [REDACTED] came walking toward us from the alley. Mackey and [REDACTED] both advised me [REDACTED] was the one who was involved in the fight with Mackey and was armed with a knife. Assuming [REDACTED] had a knife, I pulled my taser and ordered [REDACTED] to, "Put your hands on the wall", the wall being the north side of Second Baptist Church (1717 Benson). As Officer Mangas was conducting a pat down of [REDACTED], he told Mangas and I that it was Mackey who actually possessed two knives. At that moment Mackey, who was standing approximately 30 feet away, ran up to [REDACTED] (who was still being patted down) and began striking him on the back. Believing Mackey had a knife, and fearing for the safety of [REDACTED] Mangas, and I; I tased Mackey once from approximately four feet away, the probes hitting Mackey on her back. A knife was later recovered from the ground near where Mackey was tased, and a box-cutter was recovered from her left front pants pocket.

On 10/05/19, at approximately 1612 hours, Detective Popp*116 and I, Detective Griffith*193 conducted a street stop on a male/black subject matching the description of an offender involved in a Retail Theft at Best Buy, 2309 Howard. The male subject later identified as Kyndrick D. LINDSEY was stopped in the area of 2137 Howard. LINDSEY appeared highly intoxicated. While conducting our investigation, LINDSEY became uncooperative and verbally aggressive. LINDSEY was placed in handcuffs for officer safety. LINDSEY'S right wrist was cuffed first followed by his left wrist. While cuffing LINDSEY he tensed up multiple times in an attempt to avoid being handcuffed. After securing the handcuffs on LINDSEY, Detective Popp double-locked the handcuffs, and the cuffs were fitted for tightness. No further information at this time.

USE OF FORCE REPORT

Case No. 19-010514

Part 3 – Detailed Narrative

In summary, Detective Svendsen #164 and I Detective Jones #162 was assigned an endangered missing person report. On 11/19/19 at approximately 1300 hours, reporter [REDACTED] advised that her husband Gregory Kaminski had been missing since 11/18/19 at 1156 hours. [REDACTED] stated that on today's date at 1157 hours, Gregory text messaged her with suicidal statements. In the text messages, Gregory told [REDACTED] that all of his belongings will remain in his vehicle when he is found and tell his kids that he loved them. Gregory also provided [REDACTED] with information about his UPS mailbox that is located in Evanston.

[REDACTED] stated that Gregory takes prescription medication for depression and pain. [REDACTED] stated that Gregory has told her on several occasions that he owns several firearms and has a valid FOID card.

[REDACTED] advised that Gregory is driving a white Chevy Equinox vehicle which has an enabled On-Star system. I called On-Star and retrieved updated vehicle location for the Chevy Equinox. The initial data revealed that the vehicle was mobile in Waukegan near Green Bay Road. As Detective Svendsen and I were heading to Waukegan to check on Gregory's well-being, On-Star related that the vehicle was driving westbound on Willow Road from I94.

Several moments later, Detective Svendsen and I was able to locate the vehicle on Willow Road, south of Shermer Road in Glenview II. At the time the vehicle was curbed. As I approached the vehicle, I advised the driver (Gregory Kaminski) to place his hands on the steering wheel. I advised Gregory that he was reported missing.

The vehicle was occupied by a male front passenger and another driver sitting in the back seat behind the driver's side. Gregory began to shift around inside the vehicle and I advised him to exit the vehicle due to his suspicious movements and the uncertainty that he was in possession of the above mentioned firearms.

When Gregory exited the vehicle I advised him to place his hand on top of his head. Gregory ignored my demands and attempted to re-enter the vehicle. I advised Gregory that he was being taken to the hospital for a mental evaluation and which he stated that I don't have jurisdiction to make him go to the hospital. At this time, Gregory attempted to re-enter his vehicle and Detective Svendsen and I attempted to place handcuffs on Gregory to prevent him from the vehicle driving away, endangering himself and the other people that were inside the vehicle. Gregory became aggressive and combative and ignored my command to not enter the vehicle. Gregory was given a reasonable opportunity to voluntarily comply with my orders, in which he refused. I provided Gregory and Detective Svendsen a warning that my Taser device will be deployed. I deployed my Taser targeting the lower center mass area. The first deployment struck the exterior of Gregory's puffy coat, giving Gregory the opportunity to turn his back and run. I deployment the second application which caused Gregory to fall to the grass and comply. Gregory was handcuffed, secured and transported to Evanston Hospital.

Gregory did not suffer any injuries due to the arrest or Taser deployment.

Part 3 – Detailed Narrative

In summary: On 11/21/19 at approximately 0105 hrs. I, Officer Hicks #251, was dispatched to a disturbance at 1570 Oak Av. The caller told dispatch her husband was attempting to break down the door to her apartment (apt. 408). Upon arrival, Officers Pack, Romero, Hindes, and I arrived in the fourth floor hallway simultaneously and observed a subject, later identified as Erick M. Anderson outside the door of apartment 408 yelling and banging on the door. When Officer Pack instructed Anderson to show his hands, Anderson said, "Let you see my hands?" Anderson continued to aggressively bang on the door with his hands and feet. Pack grabbed Anderson in an attempt to gain compliance, but Anderson resisted. Officer Romero then grabbed Anderson and Pack Romero and Anderson fell to the ground. Anderson continued to resist and refused to be handcuffed. Anderson had a puffy winter coat on and it appeared as if he was attempting to put his hands in his pockets. I deployed my Taser to assist Pack, Romero, and Hindes in gaining control of Anderson's wrists. The Taser prongs struck Anderson in the right arm, and although he seemed to be affected at first, he continued to fight. Due to the thickness of Anderson's coat, and the fact that his coat kept being pulled due to his resisting, one of the Taser prongs came out and I observed it on the floor. Anderson continued to resist and attempt to go in his jacket pockets. I deployed another Taser cartridge into Anderson's back. Anderson was still not compliant so I activated my Taser a third and fourth time, both times appeared ineffective possibly due to the prongs continuously being extracted by the movement of Anderson's coat against his body. After the final Taser deployment, officers were able to gain control of Anderson and place him in handcuffs.

Part 3 -- Detailed Narrative

In summary: On 11/21/19 at approximately 0105 hrs. I, Officer Pack #234, was dispatched to a disturbance at 1570 Oak Av. The caller told dispatch her husband was attempting to break down the door to her apartment (apt. 408). Upon arrival, Officers Hicks, Romero, Hindes, and I arrived in the fourth floor hallway simultaneously and observed a subject, later identified as Erick M. Anderson outside the door of apartment 408 yelling and banging on the door. I instructed Anderson to show his hands, Anderson said, "Let you see my hands?" and began aggressively banging on the door with his hands and feet in an attempt to gain entry into the apartment. I grabbed Anderson in an attempt to gain compliance, but Anderson resisted. I then took Anderson to the ground. Anderson continued to resist and refused to be handcuffed. Anderson had a puffy winter coat on and it appeared as if he was attempting to put his hands in his pockets. Anderson continued to resist and attempted to go in his jacket pockets as he was still actively resisting. Subsequently, I used a closed fist and delivered a stunning blow to the large muscle group of Anderson's upper back while giving commands for him to stop resisting. I was eventually able to gain control of Anderson's arms and place him in handcuffs. See other Officer's supplements and reports for further information.

Part 3 – Detailed Narrative

While on routine patrol I, Officer Chipolet *132 observed a bicycle parked against a blue Chrysler Town and Country (Illinois Plate 3195BU) in front of 634 Sherman Avenue. Upon further investigation I made contact with Jalen Brown who was sitting in the driver seat of the vehicle. I asked Brown if the vehicle belonged to him and he stated it did. I then asked Brown if the bicycle belonged to him and he shrugged and stated it did not. Brown appeared to be extremely nervous so I asked him to step out of the vehicle. Brown complied and I informed him he was going to be detained in handcuffs while I continued my investigation. Brown tensed his muscles and attempted to pull away from me. I was able to grab Brown by his jacket and secure his hands. I informed Brown that he was under arrest and told him to stop resisting. Brown continued to try and defeat the arrest by attempting to kick my feet to make me lose my balance. I then was able to grab Brown by his torso and I performed a controlled takedown to the sidewalk in front of 636 Sherman Avenue. I was able to secure Brown in handcuffs until backup units arrived. Brown was asked if he needed any medical treatment and he declined. There were no visible injuries on Brown. Further investigation revealed Brown did not have permission from the owner to be in the vehicle. Subsequently the vehicle owner wanted to sign complaints against Brown. Arrest paperwork for Brown was completed and turned over to Juvenile Detectives.

APPENDIX C

USE OF FORCE REPORT

Case No.

19-11496

Part 3 – Detailed Narrative

On 12/23/2019 I Detective Sosa #103 responded to the Main street CTA platform, 836 Chicago to assist Sergeant De Leon with removing a subject from the train. It was determined that the subject was given several verbal commands to leave by Sergeant De Leon with negative results. The complainant made an on-view identification of the subject and was willing to sign complaints.

I attempted to gain compliance with simple joint manipulation with negative results. I observed Sergeant De Leon also attempt simple joint manipulation with negative results. I advised the subject that he would be getting Tased if he did not comply. The subject began to grab my arm and at one point grabbed my leg.

I did not feel that the officer presence, verbal commands, and joint manipulation to be working to affect the arrest. I felt that escalating the use of force to strikes would possibly cause injury to the subject or Sergeant De Leon or myself.

I unholstered my Taser X2 and advised the subject that he would be getting Tased if he did not comply. I gave another verbal command for the subject to stand up at which time he refused. I did not observe the subject comply with my commands and gave the subject another Taser warning. I deployed the Taser into his lower extremities as prescribed by my training. I observed immediate effects of the Taser and compliance with the subject.

Sergeant De Leon Handcuffed the subject without further Incident. EFD ambulance #21 arrived on the scene and transported the subject to St Francis Hospital to remove the Taser barb from his right thigh.

See field general and body camera footage for further details.
